You have more health plan choices than COBRA
Choose the always good when it comes to health plans. And it's especially important if you have COBRA in your only alternative. Blue Cross and Blue Shield of Minnesota has 38 different individual health plans that cover your family for as little as \$100 a month. Choose Single Blue® - a plan where you pay only for the coverage you need. And Personal Blue offers you and your family more traditional health plan options. For more information, call our enrollment agents, we can discuss your situation and help take the bite out of COBRA.
