You have more health plan choices than COBRA

Choice. It's always good when it comes to health plans. And it's especially important if you think COBRA is your only alternative. Blue Cross and Blue Shield of Minnesota has 38 different individual health plans that could save you money. For example, Options Blue is a plan with a health savings account. Choose Simply Blue™, a plan where you pay only for the coverage you need. And Personal Blue offers you and your family more traditional benefits. Give us a call. An licensed independent agent, we can discuss your situation and help take the bite out of COBRA.
